Apricot pancakes

Ingredients

1/3 cup diced dried apricots, 1 tbs honey,
 2 tbs hot water, 1 cup buttermilk, 1 large egg,
 1 cup self-raising flour
 1/4 cup minute oats
 1 small apple (140g), peeled and grated
 Olive oil cooking spray
 Margarine spread or extra light spreadable
 cream cheese, to serve.

Method

1. Combine apricots, honey and water in a small bowl. Cool slightly.
2. Whisk buttermilk and egg together in a jug.
3. Sift flour into a bowl. Stir in oats and apple. Make a well in the centre. Add apricot mixture and buttermilk. Stir to form a thick batter.
4. Heat a large non-stick frying pan and grease with cooking spray. Drop tablespoons of batter into hot pan, allowing room for spreading. Cook over a medium heat for about 2 minutes until bubbles start to appear on surface of batter.
5. Turn pikelets and cook other side for a further 2 minutes or until golden. Remove from pan. Repeat with remaining batter, re-greasing pan with cooking spray as required. Serve plain or lightly spread with margarine spread or extra light spreadable cream cheese.

A **pysanka** (Ukrainian: писанка, plural: **pysanky**) is a Ukrainian Easter egg, decorated with traditional Ukrainian folk designs using a wax-resist method. The word pysanka comes from the verb pysaty, "to write", as the designs are not painted on, but written with beeswax. <http://pysanky.info/>
