SUMMER READING QUEST
EPIC ADVENTURES AWAIT
Say goodbye to summer boredom - and win great prizes!
www.summerreadingquest.net

It is with sadness that we farewell Janet, our Local Studies Librarian

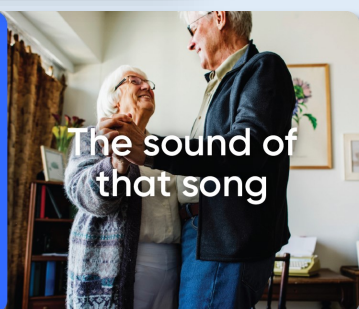

Janet commenced with the Town in 2002 as a Deputy Children's Librarian and left shortly after to start her family. In 2008, she was appointed in a part-time capacity as the Local Studies Librarian, becoming made full-time in 2016.

During Janet's time with the Town, she has made a significant contribution in developing the Town's Local Studies and Oral History collection, evidenced by the comprehensive collection of local stories and history on the library's website [Local Studies Collection » Bassendean Memorial Library](#) and other Town sources.

Janet maintained a strong focus in staying connected with local community members and groups such as the Bassendean Historical Society and local primary schools. Local Studies also received continual interest from community members wishing to volunteer in local studies.

Celebrate the sounds you love

hearing.com.au

Hearing Australia is offering free* hearing checks at Bassendean Memorial Library on **Thursday 25th January, 9:00am – 12:00pm.**

Could you be missing any of the sounds you love?

If you are concerned about your or a loved one's hearing, please join us and take the first step toward rediscovering the sounds you love! Visit hearing.com.au to learn more.

Only 15 minute hearing checks are free. Other services may attract charges/fees or may be subsidised for those eligible under the Australian Government Hearing Services Program, to which conditions apply. A hearing check is a screening that helps identify people that may have hearing loss.
