

About hoopla

Your public library at your fingertips.

Hoopla is a digital media service that allows library members to borrow a range of digital services.

Members are able to borrow movies, music, eAudiobooks, eBooks, comics and TV shows to enjoy on their computer or mobile device with no holds or waiting. All titles can be streamed immediately or downloaded to phone or tablets for offline enjoyment later. Hoopla offers a massive catalogue of over 900,000 titles (and growing) to choose from and instantly available to library members.

Members can borrow up to 6 instant borrows per month per member.

A valid library membership is required to access resources.
